

### **Income Disclaimer**

The chart and marketing descriptions in the gibLine.com website are intended to demonstrate how the compensation plan works and not to state or infer a member may, can or will achieve a specific organization or periodic income. The income examples made by gibLink Inc. are achieved over different periods of time and the successful members had invested their time, money and hard efforts to pursue the marketing career. The past success of certain members doesn't imply the future success of the new members. gibLink Inc. is not guaranteeing your success in achieving certain levels of income.

**The display of Revenue Share Statements by individual members and making personal income projections to prospective members are strictly prohibited. Members may not develop, publish, sell, or distribute any promotional materials they create. This prohibition also applies to Sales Aids and brochures promoting a specific organization. Any violation of this rule will lead to the termination of the offending Membership.**
